In 1985 **Sam H. Stedman, Sr.** and the late **Walter N. Garger, MD, JD.** established three companies: Stedman & Garger was established as the administrative management company for Garger Associates LLP – a *partnership of Orthopedic Surgeons*, and Garger C. Associates LLP – a *partnership of chiropractors* .

Garger Associates LLP and Garger C. Associates LLP are independent medical evaluators in cases of workers' compensation, no-fault, liability, and disability evaluations. The physicians of Garger Associates and the chiropractors of Garger C. Associates are independent from, and separate companies employing Stedman & Garger Associates for administrative management purposes only.
